

The Grove PTA Newsletter

November 2024

Hello Shady Grove Families!

We're excited to launch our PTA Fall Fundraiser this month. This is a BIG DEAL for our school because the generous donations we receive from SGENS families during this fundraiser are largely what allow the PTA to continue supporting our school in the many ways we do throughout the year. It's so important for us all to work together to help make the magic happen for The Grove!

This year's fundraiser will be an obstacle course fun run, and we've chosen to once again partner with APEX to help be our boots on the ground and run the logistics for the event. APEX will be on campus from Nov. 11-22, and will be bringing major EXCITEMENT to the students by providing prizes as they reach individual and class fundraising goals.

In addition, APEX will share positive daily messages on leadership and character building during morning announcements. Following the theme #ApexFUTURE, Grove students will embark on a two-week quest in search of the key to becoming great leaders. They'll be learning to dream big and make a positive impact on the world. APEX's quick, engaging lessons tie in with our school's vision and mission, encouraging students to create a positive environment and inspiring them to lead by example. PTA will be providing you a little sneak peek into the lessons via our Shady Grove PTA Facebook page. ***find us and follow for all the info***

What are we fundraising for?

- 1) Book Room Refresh** - Our teachers on the Literacy Committee want to transform our current book room into a reading oasis by purchasing new reading-level books for all grades, as well as comfy seating!
- 2) Field Trips** - PTA provides funds to help off-set field trip costs for all grade levels
- 3) PTA Student Programs** - We will continue providing MANY fun family events at The Grove!

Thanks in advance to our families for your love and support of The Grove! I'm excited to see what we can do together!!
